WORK EXPERIENCE

Freelance Fabric Assistant

Ralph Lauren (May 2021-present)

- Assist Senior Fabric R + D Director in day-to-day department functions, including seasonal color research and cataloguing sample and bulk fabric receivings.
- Prepare development order packages for shipment to factory and mill partners in Europe .
- Organize internal fabric archive to facilitate easy reference to previous seasons by Fabric R + D director and design team members.

Sample Room Coordinator, Tailored Wovens

Alice + Olivia (October 2016 - July 2020)

- Managed pattern maker and design appointment pass off schedule; attended pass offs to ensure clarity of fit and development deadlines
- Formed and maintained contacts with local garment district contractors; issued purchase orders as needed
- Created development tech packs as design team workload required
- Communicated style changes to pattern and sample makers and updated BOMs accordingly
- Passed off materials and tech packs for assembly of development samples
- Tracked sample and pattern completion and in-house pattern maker workload in daily development allocation chart
- Maintained in-house trim library tracking core trim inventory levels
